

Induction Cooker 4P 35-1 TCK

► Flexible table-top appliance

► Heat can be regulated via power stages or temperature

► Knob and touch control

Description

Whether in a front-of-house cooking area or as a fixed part of the kitchen, the induction cooker 4P 35-1 is an impressive table-top appliance with elegant optics and a total power of 2 x 7 kW. Equipped with four large hobs for a pot diameter of up to 280 mm and with the option to switch between power stages and temperature, it is a reliable kitchen aid.
