

WALL MOUNTED UNIT MAIKEL 1.9

€6,220.00

SKU:

7080.0035

Wall-mounted unit Maikel 1.9 black – spacious and stylish product presentation

The Maikel 1.9 cooler is a stylish and practical refrigeration solution for supermarkets, hospitality businesses, and retail stores where chilled products need to be attractively displayed. Thanks to the ventilated cooling system, the temperature is evenly distributed, keeping products optimally chilled. The black finish gives the unit a modern appearance that fits perfectly in professional retail environments. With a generous capacity of 460 liters and three sliding doors, this wall cooler provides extra storage space while keeping products clearly visible and easily accessible. Dimensions: 1935x740x1500 mm (LxWxH) – Power: 0.8 kW – Temperature: -1/+5 °C – Capacity: 460 liters – Weight: 310 kg.

Key features:

- **Ventilated cooling:** even temperature distribution for optimal product cooling
- **LED lighting:** bright and energy-efficient product presentation
- **Three sliding doors:** easy access to refrigerated products
- **Automatic defrost:** reduced maintenance and consistent cooling performance

The Maikel 1.9 wall-mounted unit combines efficient refrigeration with a modern design and increased capacity. Perfect for clearly presenting chilled products. Order today and give your products a professional presentation!

Width (mm)	1935	Depth (mm)	740
Height (mm)	1500	Material	Powder coated steel
