Discover the open Fish Display Case Self-Service 2.3 – ideal for fast, clear product presentation

The Combisteel Fish Display Case Self-Service 2.3 is ideal for quick, customer-focused presentation of fresh fish. Its open design allows direct customer access, while plexiglass sliding doors at the rear make restocking easy. Made from hygienic, corrosion-resistant AISI 304 stainless steel, the unit features an extra-large display area of 220x72 cm. This model is not equipped with a refrigeration system, making it perfect for short-term display in high-traffic environments with frequent restocking. Dimensions: 2320x920x920 mm (LxDxH) – Weight: 115 kg.

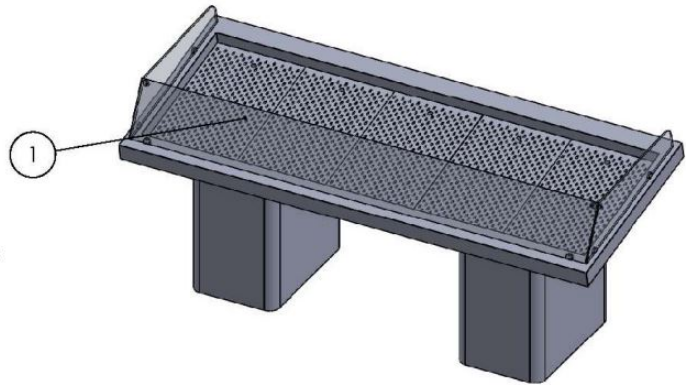

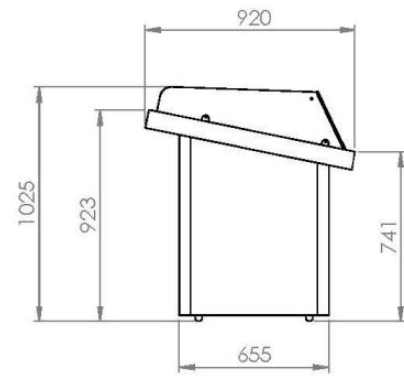

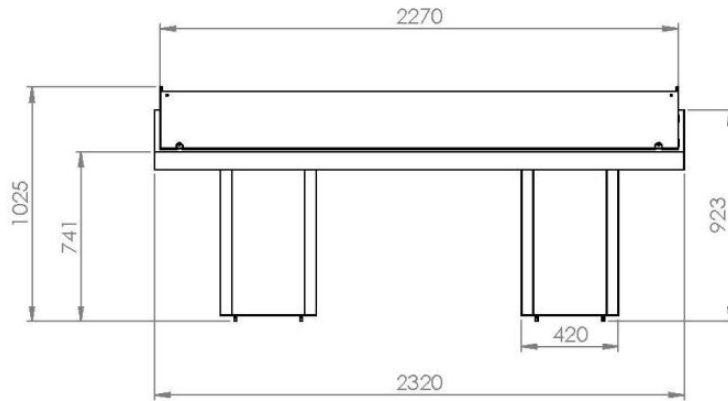

Key features:

- **Self-service design:** open layout for direct access and smooth customer flow
- **Hygienic and durable:** full stainless steel AISI 304 construction – corrosion-resistant and easy to clean
- **Excellent visibility:** tempered glass for optimal product presentation
- **No cooling unit:** perfect for short-term display with frequent restocking
- **Convenient drainage:** includes water outlet with connector
- **Mobile setup:** mounted on wheels for easy relocation

This fish display case combines visibility, hygiene, and convenience. Order now to give your seafood presentation a professional upgrade!
