

CHEST FREEZER GLASS COVER LOTTE-396

€595.00

SKU:

7086.0035

Meet our versatile freezer chest with glass lid Lotte-396, the flexible solution for both cooling and freezing!

This practical freezer chest with sliding glass lids is ideal for retail, hospitality and promotional use where product visibility and flexibility are key. Thanks to the easy-to-use rotary control, you can effortlessly switch between cooling and freezing. The bright LED lighting ensures optimal product presentation, while the glass lids provide a clear view of the contents. With an extra-large capacity of 396 liters, a mobile design and a lockable construction, the Lotte-396 combines convenience, safety and efficiency. Dimensions: 1234x651x840 mm (LxDxH) – capacity 396 liters – temperature range 0/+10°C to <-18°C – weight 55 kg.

Key features:

- **Cooling & freezing in one:** easily adjustable via rotary control for maximum flexibility.
- **Glass lids with LED lighting:** optimal product visibility with energy-efficient illumination.
- **Manual defrosting:** simple maintenance and reliable operation.
- **Supplied with 2 baskets:** for a clear and practical product layout.
- **Mobile and lockable:** easy to move and securely lockable.

Whether you want to display ice cream, frozen goods or chilled products, the freezer chest with glass lid Lotte-396 offers an excellent combination of capacity, visibility and ease of use. Order today and add a reliable all-rounder to your business!
