

CHEST FREEZER SS COVER 302 L

€550.00

SKU:

7450.1130

Chest freezer stainless steel lid 302 L – compact and reliable

This chest freezer with stainless steel lid is a practical and reliable solution for storing frozen products in professional kitchens, hospitality environments, and storage areas. Thanks to static cooling, the temperature is evenly maintained, ideal for long-term storage at temperatures below -18°C. The durable stainless steel lid ensures a robust finish and is easy to clean. With a capacity of 302 liters and a compact footprint, this freezer offers ample storage space without taking up too much room. Dimensions: 1116x644x845 mm (LxWxH) – Power: 0.19 kW – Temperature: < -18°C – Capacity: 302 liters – Weight: 41 kg.

Key features:

- **302 liter capacity:** spacious storage in a compact design
- **Static cooling:** reliable and even temperature distribution
- **Manual thermostat:** easy temperature control
- **Includes 1 basket:** practical for separating products
- **Lockable:** secure storage of contents

This chest freezer offers a practical combination of capacity, ease of use, and reliability. Order today and store your products safely and efficiently!
