Refrigerator 1 glass door black NAP-150 – compact and efficient

This compact refrigerator is ideal for professional hospitality venues, shops, or other spaces where a clear presentation of chilled products is important. The ventilated cooling system ensures even temperature distribution so your products stay perfectly chilled. The self-closing door and LED lighting provide energy-efficient and clear product display. With a capacity of 150 liters and 5 adjustable shelves with clips, this fridge can be organized flexibly. Dimensions: 390x470x1880 mm (LxWxH) – Power: 0.138 kW – Temperature: +2/+10 °C – Weight: 56 kg.

Key features:

- **Compact size:** perfect for smaller spaces without compromising capacity
- **Ventilated cooling:** ensures even temperature for optimal product quality
- **LED lighting and digital controller:** energy-efficient, clear display, and easy operation
- **Automatic defrosting:** low maintenance and reliable
- **Lockable:** secure storage of products

This slim glass door fridge offers the perfect balance of style, functionality, and efficiency. Order today and keep your products chilled and attractively presented!
