Refrigerator 2 glass doors black NAP-850 – spacious and professional

This black refrigerator with 2 glass doors is ideal for shops, hospitality environments, and professional kitchens where a spacious and clear presentation of chilled products is essential. The ventilated cooling system ensures even temperature distribution so products always remain perfectly chilled. The self-closing doors and LED lighting provide energy-efficient and clear product display. With a large capacity and 10 adjustable shelves with clips, the interior can be arranged flexibly. Dimensions: 1120x597x2110 mm (LxWxH) – Power: 0.4 kW – Temperature: +2/+10 °C – Weight: 120 kg

Key features:

- **Spacious design:** ideal for larger volumes and intensive use
- **Ventilated cooling:** even temperature distribution for optimal product quality
- **LED lighting and digital controller:** energy-efficient, clear display, and easy operation
- **Automatic defrosting:** low maintenance and reliable
- **Includes 10 adjustable shelves with clips:** flexible interior layout

This glass door refrigerator offers the perfect combination of capacity, functionality, and energy efficiency. Order today and present your products clearly and attractively!
