Freezer 1 glass door black NAP-250F – compact and reliable

This black freezer with 1 glass door is ideal for shops, hospitality environments, and professional kitchens where a compact and clear presentation of frozen products is essential. The static cooling system ensures reliable temperature maintenance at -22/-18 °C, keeping products perfectly preserved. The self-closing door provides energy-efficient and clear display, while 5 fixed shelves allow organized storage. Dimensions: 490x560x1915 mm (LxWxH) – Power: 0.45 kW – Weight: 69 kg.

Key features:

- **Compact design:** perfect for smaller spaces without sacrificing storage capacity
- **Static cooling:** reliable temperature distribution for optimal product quality
- **Self-closing door:** energy-efficient and clear product display
- **Fixed shelves:** organized storage and easy access to products
- **Lockable:** secure storage of frozen products

This glass door freezer provides a compact and reliable solution for storing and presenting frozen products. Order today to keep your products perfectly preserved!
