

WASH BASIN SS 1 TAP 600X360X135MM

€199.00

SKU:

7490.0340

Discover our compact and hygienic stainless steel sink 600x360x135 mm – ideal for professional use!

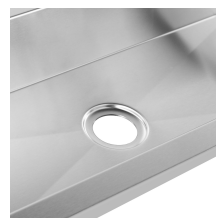

This practical stainless steel sink is the perfect solution for smaller workspaces where hygiene and functionality are essential. Made from high-quality AISI 304 stainless steel, this sink offers excellent corrosion resistance and is easy to clean. Thanks to its compact design and pre-drilled tap hole, installation is quick and straightforward. Dimensions: 600 x 360 x 135 mm.

Key features:

- **Compact size:** ideal for limited spaces without compromising functionality.
- **Suitable for 1 tap:** equipped with a pre-drilled tap hole for easy installation.
- **AISI 304 stainless steel:** corrosion-resistant, durable, and hygienic in use.
- **Includes waste plug:** ready for immediate connection.
- **Professional quality:** suitable for intensive use in catering and other professional environments.

This stainless steel sink combines durability, hygiene, and ease of use in a compact design. Order today and optimize your workspace with a reliable professional solution.
