

WASH BASIN SS 2 TAPS 1200X360X135MM

€299.00

SKU:

7490.0345

Discover our spacious and hygienic stainless steel sink 1200x360x135 mm – with room for two taps, ideal for professional use!

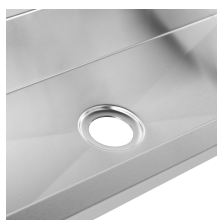

This double stainless steel sink is the perfect solution for workspaces where efficiency and hygiene are essential. Made from high-quality AISI 304 stainless steel, it offers excellent durability and easy cleaning. With a generous width of 1200 mm and **two pre-drilled tap holes**, this sink is ideal for simultaneous use by multiple people. Dimensions: 1200 x 360 x 135 mm.

Key features:

- **Double capacity:** room for two taps – perfect for busy, shared workstations.
- **Two pre-drilled tap holes:** easy installation for taps of your choice.
- **AISI 304 stainless steel:** corrosion-resistant, durable, and hygienic.
- **Includes waste plug:** ready for immediate connection.
- **Professional design:** robust and suitable for intensive use in catering and other professional environments.

This 1200 mm stainless steel sink combines space, hygiene, and reliability. Order today and make your workspace more efficient!
