

BACKBAR COOLER 3 GLASS DOORS BLACK

€1,200.00

SKU:

7503.0010

Meet our black back bar cooler with 3 glass doors!

This stylish and professional back bar cooler is the ideal choice for bars, restaurants, cafés, and other hospitality venues. With a spacious 470-litre capacity and three self-closing glass doors, this cooler offers plenty of room for the organised display and cooling of beverages. Thanks to the ventilated cooling system, products are cooled quickly and evenly, while the LED lighting ensures an attractive presentation.

Dimensions: 1988x520x860 mm (WxDxH) – power consumption 0.285 kW – capacity 470 litres – temperature +2/+10°C – weight 98 kg.

Features:

- **Ventilated cooling** – ensures fast and even temperature distribution throughout the cabinet.
- **Self-closing and lockable glass doors** – reduce temperature loss and provide extra security outside opening hours.
- **Digital thermostat** – easy and precise temperature control.
- **LED lighting** – showcases your beverages in a professional and attractive way.
- **Automatic defrost** – reduces maintenance and ensures reliable operation.

Whether you serve soft drinks, beer, or other chilled beverages, this black back bar cooler combines a modern appearance with excellent cooling performance. With its generous 470-litre capacity, it offers ample space for a wide range of drinks. Order today and keep your beverages perfectly chilled and ready for service!
