

BACKBAR COOLER 4 GLASS DOORS BLACK

€1,690.00

SKU:

7503.0015

Meet our black back bar cooler with 4 glass doors!

This spacious and professional back bar cooler is the perfect solution for busy bars, restaurants, and hospitality venues where large quantities of chilled drinks need to be readily available. With a generous 636-litre capacity and four self-closing glass doors, this cooler offers maximum storage and a clear, organised display of your beverage range. Thanks to the ventilated cooling system, products are cooled quickly and evenly, while the LED lighting ensures an attractive presentation. Dimensions: 2542x520x860 mm (WxDxH) – power consumption 0.345 kW – capacity 636 litres – temperature +2/+10°C – weight 120 kg.

Features:

- **Ventilated cooling** – ensures fast and even temperature distribution throughout the cabinet.
- **Self-closing and lockable glass doors** – reduce temperature loss and improve safety outside opening hours.
- **Digital thermostat** – easy and precise temperature control.
- **LED lighting** – showcases your beverages in a professional and attractive way.
- **Automatic defrost** – reduces maintenance and ensures reliable operation.

With its large capacity and sleek black design, this back bar cooler is ideal for high-traffic locations. Order today and keep your drinks perfectly chilled and ready for service!
