Introducing our efficient salamander grill!

Our versatile Combisteel salamander grill is the ideal addition to any professional kitchen. Whether you work in a restaurant, at a buffet or during an event, this grill offers the ideal solution for quick and even grilling of a wide range of dishes. The compact design ensures easy placement and mobility, yet it delivers powerful performance to meet all culinary demands. Moreover, it has a stylish appearance. Dimensions are 440x280x275 mm (LxWxH) - consumption 2.1 kW - weight 7.7 kg.

Key features:

- **Single grilling level:** efficient and even toasting or gratinating.
- **Adjustable temperature:** precise temperature control for perfect results.
- **Compact and light weight:** fits perfectly in any kitchen and is easy to move around.
- **Easy cleaning:** the removable crumb tray and stainless steel design simplify the cleaning.

Whether you are a professional chef or an avid home cook, this salamander grill is designed to efficiently and stylishly grill and gratinate the most delicious dishes.
