

REFRIGERATED COUNTER 650 HEIGHT 8 DRAWERS

€1,945.00

SKU:

7950.0455

Discover our 8-drawer refrigerated counter – Compact and efficient for any professional kitchen!

This refrigerated counter offers spacious and efficient cold storage, while its compact design with a height of only 650 mm fits perfectly under existing countertops. The ventilated cooling system ensures a constant and even temperature, while the automatic defrost function minimizes maintenance and promotes hygiene. The digital temperature display allows for precise control, and the stainless steel housing ensures a durable, easy-to-clean finish. Dimensions: 2000x700x650 mm (WxDxH) – Power: 0.27 kW – Capacity: 402 liters – Temperature: +2/+8°C – Weight: 125 kg.

Key features:

- **Height: 650 mm** – Ideal for undercounter installation under countertops
- **Ventilated cooling** – For consistent and efficient temperature
- **Automatic defrost** – Reduces maintenance and saves time
- **8 practical drawers** – For organized and accessible cold storage
- **Digital temperature display** – Always know the current temperature

Whether you're keeping ingredients fresh or optimizing your workspace, this 8-drawer refrigerated counter is a must-have in any professional kitchen. Order today and enjoy the benefits of premium cold storage!
