ATOM MAXI C1DB

Frameless Style Glass Door

Stainless Steel Base

Description

The Atom Maxi range of glass door chillers is available in 1, 2 or 3 door options. Edge to edge "frameless" self-closing glass doors together with excellent storage capacity make it ideal for all types of chilled food and drink displays. The canopy-less design makes it a favourite choice for shopfitters for use in convenience stores, delis and butchers where a chilled food and drink selection enables extra choice. A white interior with vertical LED lighting helps present the produce to customers in the best light. The Atom Maxi provides a competitively priced solution to introduce chilled produce to your customers. There is also a matching freezer option available.

Product Features

- Low energy consumption
- Self-closing double glazed hinged glass doors
- Adjustable shelves
- Vertical LED Interior light with switch
- Ventilated cooling
- Digital controller and temperature display
- Castors
- Freezer Option Available
