10 scoop static cooled display with understorage

The Isabella range is a spacious ice cream scooping cabinet with 10 or 13 pan options. Its curved glass design makes for an eye catching display that is sure to delight your customers, and the rear serving shelf helps aid with fast service. With built-in refrigerated under storage, you can easily restock the display with fresh ice cream during busy periods without having to leave the cabinet. Additionally, the cabinet comes with castors for easy manoeuvrability and an internal LED light to showcase your gelato or ice cream in the best possible light.
