TEFCOLD®
COOL PRODUCTS WORLDWIDE

SFI185B-CF VS

Black Supermarket Chiller / Freezer

Product Features

- Easily switchable between cooler and freezer
- Energy saving variable speed compressor
- Excellent product visibility
- Sliding curved lids
- Ideal in combination with our top section MTF
- Adjustable false base
- LED interior light
- Bumper bars
- Multiplexing kit for island creation is available as option

The TEFCOLD SFI range is ideal for supermarkets and convenience stores. Available in four widths to maximise space within retail areas, the SFI is a versatile cabinet featuring automatic defrost to help keep the display space clean and free from ice build-up. An adjustable height base enables you to maximise the display space to suit stock requirements, whilst the units can be set as chiller or freezer to enable the retailer to adapt to seasonal variations and food trends. Energy efficiency and reliability is maximised by the use of variable speed compressors on the refrigeration system that adapt to environmental conditions and help reduce energy consumption. A head case is available if you want to create an island.

Measures and Content		
Total Display Area	m²	1.25
Temperature Range	°C	-24 to -18 / -1 to +8
Climate Class		3
Net Volume	l	500
Gross Volume	l	786
Gross / Net Volume	l	786 / 500
Gross / Net Weight	kg	165 / 150
Design and Material
