WITH THE AWARD WINNING TRAILBLAZER TOWABLE BBQ RANGE

The logo for Trailblazer BBQ is centered in the image. It features the words "TRAILBLAZER" and "BBQ" in a bold, italicized, sans-serif font. The text is white with a black outline and is set against a background of vibrant, stylized flames in shades of orange, yellow, and red. The flames appear to be moving from left to right, creating a sense of motion and heat. The entire logo is set against a dark, almost black background.

TRAILBLAZER
BBQ

1200 FESTIVAL

The 1200 Festival is specifically designed for large and very large events where large numbers of people need to be catered for including major sporting events, music festivals and other large community events.

Alternatively, if you need to cook high quality cuts of meat and serve everyone at the same time such as at a wedding reception or VIP hospitality, the 1200 FESTIVAL is able to cook up to 96 steaks at the same time. With the split grill structure you are also able to have variable temperatures at the same time providing huge levels of control over your grilling.

Barbecuing for EXTRA LARGE groups, you need a **TRAILBLAZER 1200 FESTIVAL**

- 1 Fully loaded, split grill 2 Closed in, ready for towing in 2 minutes 3 Optional front and back drop down tables 4 Drop down lighting board to secure Ash box while towing 5 Integrated Gull Wing doors for towing and weather protection

600s GRILLMASTER

As our flag ship model, the 600s GRILLMASTER is changing the way outdoor grilling for large groups is approached. Bringing incredible simplicity, huge power, infinite temperature control, ease of transportation, pure theatre, business growth, thriving in all weathers and all seasons and a whole lot of fun, the 600s is simply in a league of its own. Unmatched in the marketplace the 600s has got it all!

Barbecuing for large Groups? The **TRAILBLAZER 600s GRILLMASTER** has got it all!

1 600s fully loaded with tables and accessories 2 Large weather proof storage compartment for all those essentials including tools, portable hand wash, accessories and valuables 3 Instant ash removal with scraper blade and removable ash box 4 top adjustable vents 5 Optional clip on tool accessories

350 CLUB

(TOWABLE)

The 350 CLUB was added to the range as a response from the market for a smaller more compact unit that performs exactly like its big brothers. Beautifully styled and with a capacity of 350 BPH (burgers per hour) the 350 CLUB is an excellent option where the size and capacity of the 600s isn't required.

The 350 CLUB is also available in a mobile version with high quality inflatable tyre castors where towing on the road isn't required but where easy movement around your grounds is.

350 CLUB

(MOBILE)

Barbecuing for medium to large groups the **TRAILBLAZER 350 CLUB** is the perfect match

- 1 Huge capacity with a compact footprint
- 2 Instant adjustment of cooking surface
- 3 Optional front and back drop down tables

INTRODUCING A WORLD FIRST... BE PART OF A UNIQUE BUSINESS OPPORTUNITY

When you purchase a TRAILBLAZER you have the option of joining the Trailblazer Network. This network is an online community that allows potential customers to connect with a Trailblazer network member for their next outdoor event. From hiring your Trailblazer out to delivering a full catering service, the Network is there to help you grow and manage your bookings

The UK barbeque market is worth £7bn annually and is estimated to grow by £1.7bn in 2016. Research into lifestyle trends indicates that in the UK alone there are over 120 million

barbeques held each year, as al fresco living becomes the norm. Everyone who barbeques for large groups needs a TRAILBLAZER nearby, so we have developed the Trailblazer Network.

We will help bring customers to you by giving you access to marketing support and digital tools. All without the normal expense of marketing.

You can rent the TRAILBLAZER 600S out to customers to cook for themselves. Or you can cook and provide the full TRAILBLAZER barbeque experience.

Forget everything you've ever known about barbequing for large groups. The Trailblazer range of towable BBQ/Grills has taken the barbeque rule-book, ripped it up and changed the way large groups barbeque. Learn more about how you can become part of a National BBQ Network with TRAILBLAZER at its heart.

TESTIMONIALS

"We fed over 500 people during our exhibition day. The Trailblazer was a huge success, extremely versatile and a great attraction, drawing everyone to see and taste our quality meats at their best."

Maurice Kettle, Kettle Foods, 500 Chefs & Foodies

"Having used Trailblazer I am a fan."

Geoff Coulter, Church Fun Day, 1000 People

"The Trailblazer was amazing and it amazed all the MX5 Club members who attended the New Year's Day BBQ, it could have easily handled many more people."

Norman McNaught, MX5 Club, 50 People

"When we have our late night barbecues on the beach for over 200, we can always depend on the Trailblazer to deliver, it has never let us down and is so easy to setup and use, in all weather."

Rowan Watson, Youth Camp, North Coast, 150 people

"Trailblazer is revolutionising charcoal barbecuing in the UK"

Richard Agnew - Freelance Chef, UK.

"Even the machine itself is mouth-watering."

Carlos Arguelles Leblanch, Cuban Sandwich Factory

"Easy to transport & set up. Makes a big group BBQ a pleasure. It's the centre of the party."

David McFeters, Church Outing, 150 people

"The Trailblazer 600S has been invaluable to my catering business. It is versatile and perfect for large or small events. It is a real show stopper!"

Mark Stone - Foodie Folk (Trailblazer 600S)

"Thanks for making such a wonderful product. We have gone from carrying 5-6 bbqs about that don't work & get broke to hooking on the trailblazer turning up at an event and producing top quality food from a top quality bbq that always steals the show. Buying your 600s is the best decision we ever made!"

Michael McGettigan - Yes Chef Catering (Trailblazer 600S)

"First weekend outing with our 600s Trailblazer BBQ was as a great success. Word travelled fast and we left with five provisional bookings. We catered for two events. The first one was for a hundred people at a rugby club and the second was for a wedding BBQ with two hundred people. Being able to raise and lower the grill ensured the meats were cooked to perfection."

Ed Ledesma - Tipi Adventures Ireland (Trailblazer 600S)

"Having spent a lot of money on Gas bbq's over the years at the K Club we have decided to move to 2 Trailblazer 350 CLUB towable charcoal BBQ's giving huge capacity, flexibility, ease of use and an unmatched grilling experience, an amazing machine! As the Host of the Dubai Duty Free Irish Open, our trailblazers arrived just in time. Serving some of the most discerning clients from all over the world, our highly skilled chefs and the Trailblazers did it with ease!"

Finbar Higgins - Executive Chef The K Club (2 Trailblazer 350 Clubs)

At French village we were looking for a BBQ that was a little different from our competitors - looking for that 'unique selling point'. When selecting our new BBQ, we didn't want the standard catering gas BBQ. We needed something which had a visual impact at our events whilst adding flavour by cooking over open coals. We took the BBQ out on a test run for 300 guests! As soon as it was hooked up after the event, we had one ordered! We love the fact that development is always going on in the background at Trailblazer BBQ and get excited to know what will be coming next. With events already booking out for the year for our own Trailblazer we have had to book a rental one for a few double bookings this year. Looking forward to the day when we will be buying Trailblazer number 2.

Jamie Henderson - Catering Manager French Village Catering (Trailblazer 600S)

"We at Howlers American Diner, Ballyclare, hired a Trailblazer 600s last year and had a great May Fair. This year however was even better with the improved 600S Grillmaster. It was excellent to have the additional front and side tables – a brilliant idea! We had people coming to us and saying that we produced "the best smell at the Fair". Cooking over charcoal really is better than anything else. Overall the Fair has been a real success for us. The next thing could be that we will be looking for one of our own."

Jennifer Howell - Owner, Howlers American Diner (Hire Customer 600S)

"The portability and flexibility of the Trailblazer is great. It is brilliant to be able to just close the doors at the end of an event and go. The flavours from real charcoal are superb and the smell just draws customers over to us"

Nigel McFeely - Waters Edge Leisure, Bangor (Trailblazer 600S and 120 Mini)

"So pleased, probably the best investment we've ever made"

Ed Cullen - Cullen's Catering Taunton, (Trailblazer 600S)
